As you well know, some of us have been known to have had brushes with the authorities on our way home from the odd social sessions over the years. A couple of nights ago, I was out for a few drinks with some friends and had a few too many beers and some rather nice claret. Knowing full well I may have been slightly over the limit, I did something I've never done before - I took a bus home. I arrived home safely and without incident, which was a real surprise, as I have never driven a bus before and am not sure where I got this one.
